derm spills all: "the best beauty bargains on the planet!"

New York dermatologist and plastic surgeon Amy Wechsler's skin is so good that it's no wonder we wanted her to write a book, we clamored to score advance copies and read all her secrets.

sheer JANE IREDALE LEMON LID PRIMER
 Really moisturizing and ultra-soothing, and the texture is so delicate. \$18, JANEIREDALEDIRECT.COM

WHY WEAR IT? EYE PRIMER

It's an extra step, but worth it for many reasons. Smooth on before you put on any eye makeup and the payoff is huge: Shadow and liner stick better when applied, pigments are richer (a black, for example, appears inkier) and last hours without smudging or creasing. It's also fantastic for disguising dark circles or—dabbed at the corners of the eye and below the browbone—for
